Pinot Noir, RED CAR 'SONOMA COAST'	2023	Sonoma Coast, Ca	75
<i>Utilizing fruit farmed and grown from our own network of vineyards along the West Sonoma Coast, our 2023 Sonoma Coast Pinot Noir is a culmination of our favorite selections in one bottle. The 2023 harvest commenced with the Calera selection at Heaven & Earth, followed by Pommard. These two clones bring layered fruits, spice, and natural concentration to the blend. At the Red Car Estate in the upper reaches of the Fort Ross – Seaview AVA, the Jackson 16 clone provides aromatic lift, high-toned red fruit, and tense energy. Fruit from each of these sites is farmed organically, harvested, and fermented separately in small lots where we utilized 15% whole-cluster. This blend was aged for 11 months in 85% neutral and 15 % new French Oak barrels before being bottled un-fined and un-filtered. The blending of this wine allows us to be creative in our process, incorporating the most unique attributes from our vineyard sites to work together in unison and tell the story of the vintage.</i>
